

**Children's Online Privacy Protection Act (COPPA)** requires that we gain verifiable consent for your child to participate in our program.

**We are asking for your permission to retain your child's information (name, email, hometown, grade level, and school) and adult sponsor's (teacher, parent/guardian) name and email in order to track student participation, accept student submissions, notify winners, and distribute awards. If you consent, we may use your child's name in program-related outreach.**

To participate, your child must provide his/her personal information (first and last name, email, age, hometown, and school); his/her project; and an adult sponsor's first and last name and email. If your child is under the age of 13, the information collected will be kept confidential in compliance with the Children's Online Privacy Protection Act (COPPA).
